

Example of Appraisal District Bee Guidelines:

Bees may qualify on tracts of land from 5-20 acres

Minimum of 4 mainframe hives

12 mainframe hives at 20 acres

Bees can be used to establish history with supporting documentation

Hives must be maintained and kept alive

Flowering plants must be planted to support hives if the hives are in areas where there is limited vegetation that requires pollination

Appraisal district will grant agricultural use on the total acreage, not just the area where the hives sit
